

Prof. Dr. Dr. hc mult. Hans-Jürgen Möller
Department of Psychiatry
Ludwig-Maximilians-University
Germany

Hans-Jürgen Möller, MD, worked from 1988 to 1994 as full Professor of Psychiatry and Chairman of the Psychiatric Department at the University of Bonn (Germany) and from 1994 to 2012 as full Professor of Psychiatry and Chairman of the Psychiatric Department at the Ludwig-Maximilians-University in Munich (Germany), where he acts now as professor emeritus.

Professor Möller's main scientific contributions include clinical and neurobiological research into psychiatry, schizophrenia and depression, and clinical psychopharmacology. Professor Möller has written and co-authored over 1,300 scientific publications (Hirsch Factor 120) and several books. He was certified 2014 and 2015 by Thomson Reuters among 1% of researches for most cited papers (2002-2012).

He was editor or co-editor of several German or English scientific journals like "European Archives of Psychiatry and Clinical Neuroscience", "World Journal of Biological Psychiatry" and is member of the editorial board of several psychiatric journals.

He was President of the World Federation of Society of Biological Psychiatry (WFSBP), of the European Psychiatric Association (EPA), The International College of Neuropsychopharmacology (CINP) and Chairman of the Section on Pharmacopsychiatry of the World Psychiatric Association (WPA).

His scientific and academic merits were honoured among other with several Dr. h.c. titles, the Jean Delay Prize (WPA), the lifetime Achievement Award (WFSBP) and the Pioneer Award (CINP).
